STQARRIJA TA' REPUBBLIKA [PR 64/2020]

Minkejja li għaddew ħames xhur mil-ħatra tiegħu, il-Prim Ministru Robert Abela għadu ma ndunax li huwa kien maħtur Prim Ministru u mhux biss mexxej tal-Partit Laburista.

Repubblika ttenni li Robert Abela għandu jirrispetta lill-poplu Malti u jieqaf juża x-xandir tal-partit tiegħu biex iħabbar deċiżjonijiet nazzjonali. Dan l-aġir repetut ta' Dr Abela huwa insult lid-demokrazija.

Jaqaw Robert Abela jidhirlu li wasal iż-żmien biex jagħlaq ix-xandir nazzjonali u nisimgħu biss ix-xandir tal-partit tiegħu?

Aħna insostnu dan mhux għax għandna wisq fiduċja fil-bilanċ u l-imparzjalità tax-xandir nazzjonali. Sfortunatament dan huwa wkoll maħkum mill-Gvern u qed ikun użat u abbużat mill-Gvern.

Madanakollu l-użu sfaċċat ta' Robert Abela tal-media tal-partit tiegħu għal xogħol tal-Gvern jikxef l-arroganza tiegħu lejn iċ-ċittadini Maltin, juri li hu ma rispettax il-veduti tal-kull cittadin, u li jistmagħhom bħala estensjoni tal-Partit Laburista, .

Din hija attitudi arroganti li jidher li Robert Abela tgħallem minn Joseph Muscat.

PRESS RELEASE [PR 64/2020]

Despite the fact that five months have passed since he was appointed Prime Minister, Robert Abela has still not realised that he was appointed as Prime Minister and not only as the leader of the Partit Laburista.

Repubblika once again reiterates that Robert Abela should respect the Maltese people and stop using his party's broadcasting services in order to announce national decisions. The fact that Robert Abela keeps doing this time and time again is an insult to democracy.

By any chance, is Robert Abela thinking that the time has come to close down the national broadcasting stations and that we are to listen only to those belonging to his party?

We continue to insist on this point not because we have much faith in the fairness and impartiality of the national stations. Unfortunately, these stations are dominated by the government, and Government is using and abusing them.

Nevertheless, Robert Abela's flagrant use of his party's media to express Government business is revealing of his arrogance towards Maltese citizens, without any respect for the individual views of each citizen. who he only considers as an extension of the Partit Laburista.

Robert Abela seems to have acquired this arrogant attitude from Joseph Muscat.
